

## **APIIT BREAKS THROUGH THE INTERNATIONAL DEBATE AWARDS**

If you've got the drive and motivation to complete a degree in law, the first and most important step is to select the right law degree. Questions you need to ask yourself include; the Law School's Rankings, what law specializations they offer, the facilities and lecturers, as well as the extra-curricular activities offered.

A reputed higher education institution established in partnership with Staffordshire University UK and Asia Pacific University of Technology and Innovation in Malaysia, APIIT takes pride in its commitment to quality.

Established in 1999, APIIT Sri Lanka is well known for its contribution to the higher education industry in Sri Lanka. With over 1,400 students in enrolment and an annual intake of over 500 students, the institute is one of the largest and oldest providers of foreign degree programmes in Sri Lanka.

### **Staffordshire University LLB (Hons) Law**

The well designed and tailor-made programme is designed to meet specific needs of the profession enabling students to excel locally or globally.

The LLB has 26 modules on offer, including 10 core modules. With the legal profession increasing in popularity, new areas within the industry emerge. APIIT strives to keep students updated and in-line with international requirements. APIIT is proud to have introduced a digital LLB pathway which aims to capitalize on the highly innovative and rapid development of the information age and its intersection with the legal practice.

With local and international links and affiliations, students who study law at APIIT are in for more than a classroom education. Students are encouraged to pursue interests outside the classroom and are mentored to take part in competitions.

Students have had the opportunity to take part in two international competitions this year, and thanks to the mentoring, coaching and high standards of education, emerged victorious in both!
