

Study Global: Empowering You to start your Education Journey in any part of the World

A subsidiary of APIIT

Study Global, a subsidiary of Asia Pacific Institute of Information Technology (APIIT), has commenced its journey in student placements. Established with the vision to facilitate global educational opportunities. Study Global focuses on promoting student mobility through pathway programmes and direct entries to universities in New Zealand, Australia, the UK, USA, Canada, and Malaysia.

Opening Ceremony under the patronage of HE Michael Appleton

The inauguration of Study Global marked a significant milestone, with the opening ceremony held on the 8th of November, 2023. The event was graced by the presence of His Excellency Michael Appleton, The High Commissioner for New Zealand as the Chief Guest.

Through Study Global, students can enrol in all 8 universities in New Zealand directly, which are also in the top 3% of universities in the world. Furthermore, making use of the NCUK affiliation, students can even start their studies at APIIT, and thereafter transfer to any university in New Zealand.

Situated at One Galle Face, Colombo

The strategic location offers accessibility and convenience for students and parents seeking guidance in the intricate process of international education.

Study Global will be open for students and parents to visit at any time and seek clarification on commencing their pursuit of educational excellence in a country of choice.

Supporting students throughout their educational journey

The core objectives of Study Global revolve around supporting students in securing placements for undergraduate and postgraduate programmes across various countries.

The focus extends to providing direct pathway options in collaboration with reputable universities such as Staffordshire University in the UK, Deakin University in Australia, and Southern Cross University, Australia.

NCUK International Foundation Year

Study Global places a particular focus on the NCUK International Foundation Year pathway programme, offering direct entries to over 50 universities in New Zealand, Australia, the UK, Canada, US, Malaysia & Vietnam

Personalised service

One of the key services offered by Study Global is student counselling. This ensures that students receive tailored guidance to make informed decisions about their academic progression.

Additionally, Study Global provides comprehensive visa guidance. The handling of visas is a critical aspect of the service.

Changing the landscape of international education

Study Global is committed to support and guide students aspiring to pursue education overseas. Backed by APIIT's years of experience and longstanding partnerships with universities worldwide, Study Global is committed to shaping the educational journeys of students.
